Doug,
 We've had our differences in the
 past and we seem to have resolved
 them. I consider you to be a friend,
 a good friend at that and I hope
 to always be. I hope you take it
 easy and always take care of
 yourself. Good luck always.

A black and white photograph of a rocky coastline. In the foreground, large, dark, jagged rocks are scattered across the frame. The ocean is visible in the background, with white foam from breaking waves crashing against the shore. The sky is overcast and hazy. The overall mood is somber and contemplative.

When we come to the edge,
We think we have come to the end,
But we've only come to part of the beginning.
The beginning is the start for everyone.
We will never come to the end,
But keep on going.

- John R. Sullivan -
age 8

We the class of '78 dedicate our yearbook to Bradley A. Elie (11/24/59 - 10/26/74)

"As water over the rocks,
Friends pass over us
For only a short time."

From one of his many close friends . . .

In Recognition

People come into our lives
and walk with us a mile,

And then because of circumstance
they only stay a while.

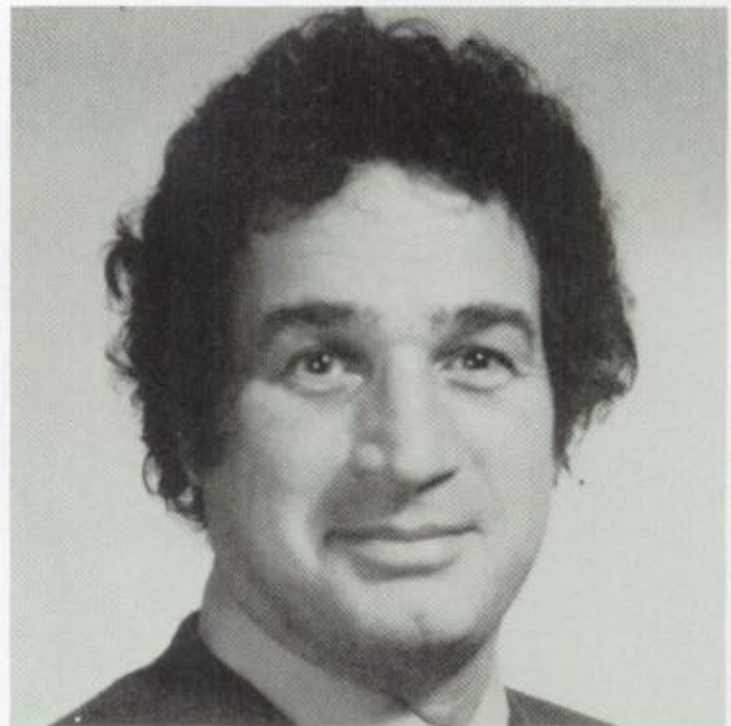

They serve a need within the days
that move so quickly by, and then
are gone beyond our reach . . .

We often wonder why.

God only knows the reasons that
we meet and share a smile,

Why people come into our lives
and walk with us a mile.

Hilda Butler Farr

Thank you Mr. Sidney Soren

To the class of 1978

Beyond the Blue Horizon

Standing in the doorway of yesterday,

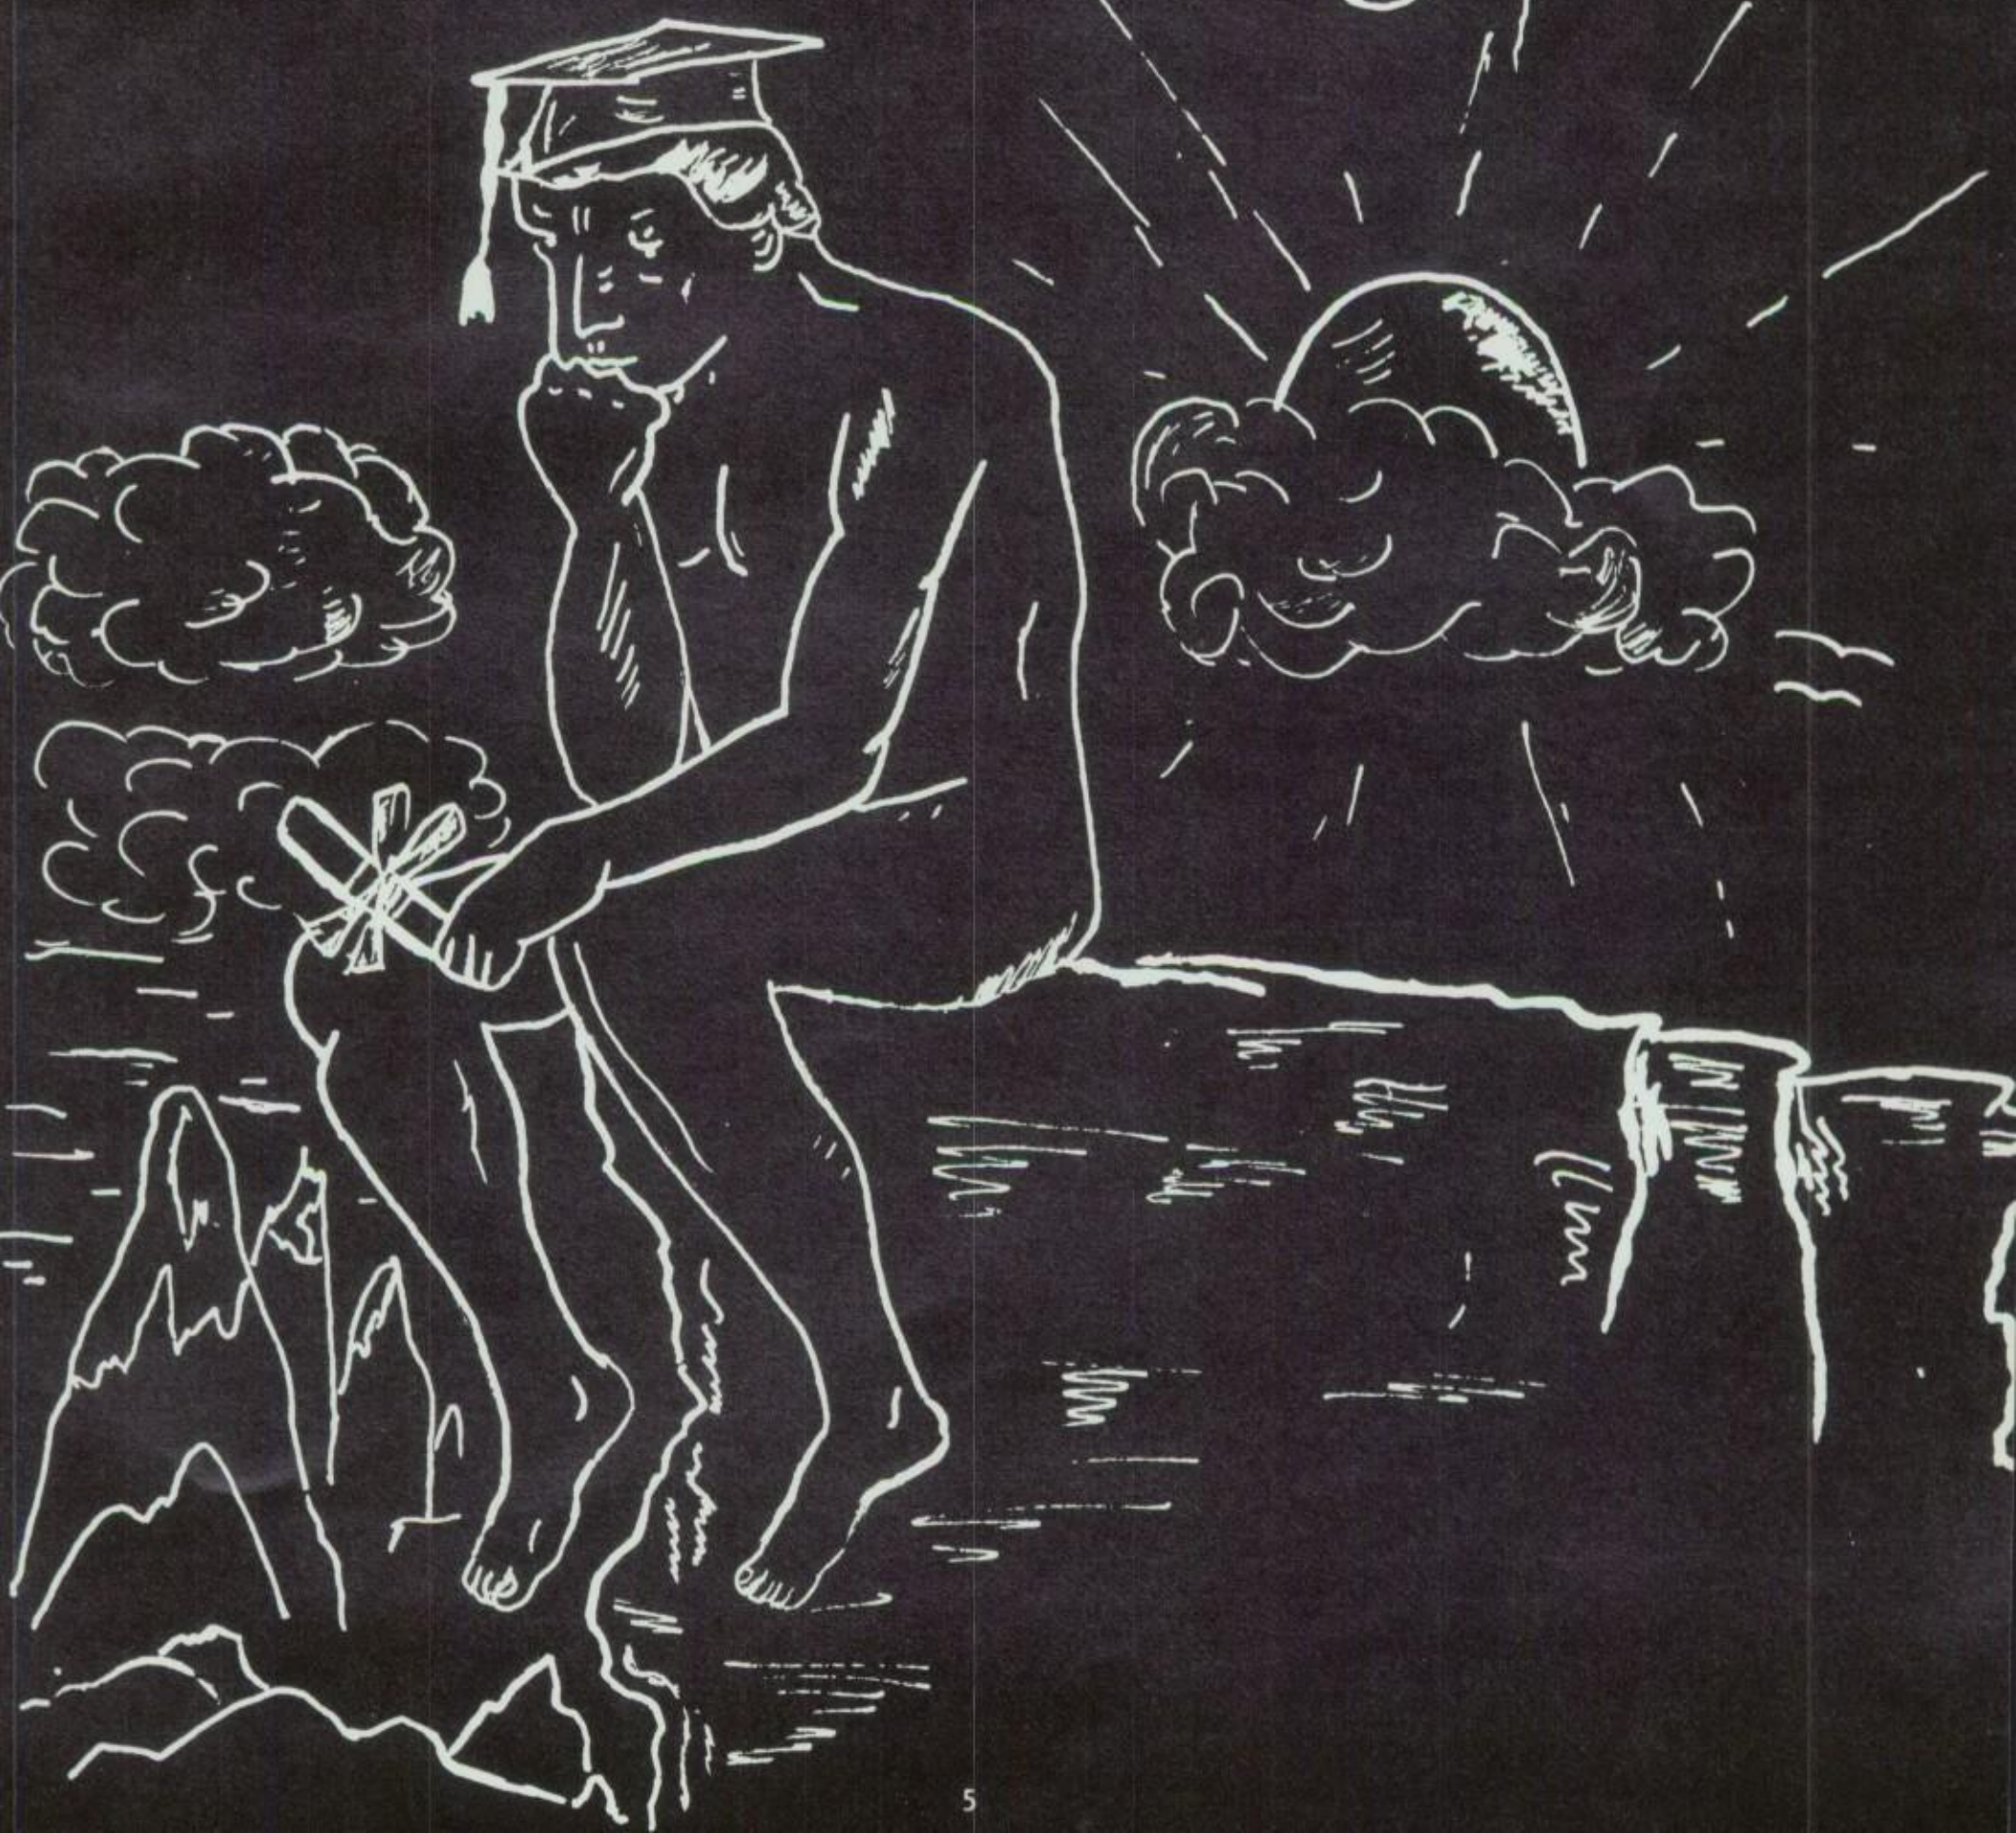

And on the threshold of tomorrow,

The seniors reflect on memorable events at Milton High School.

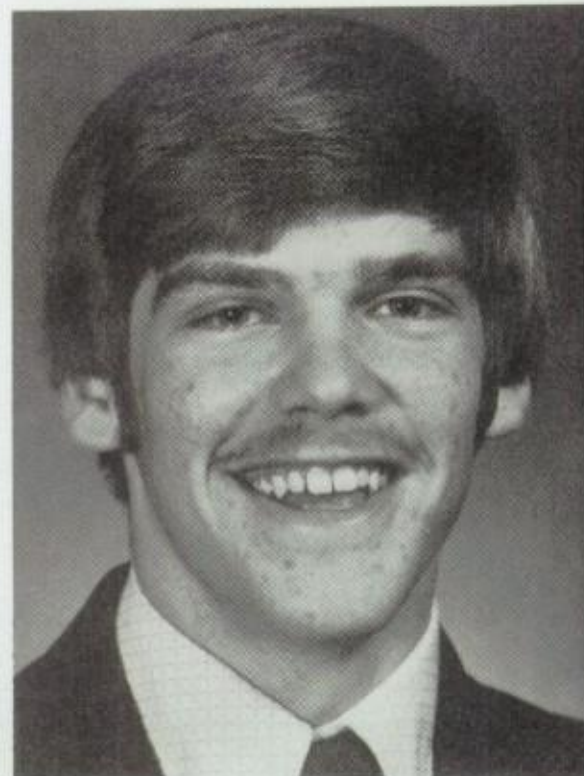

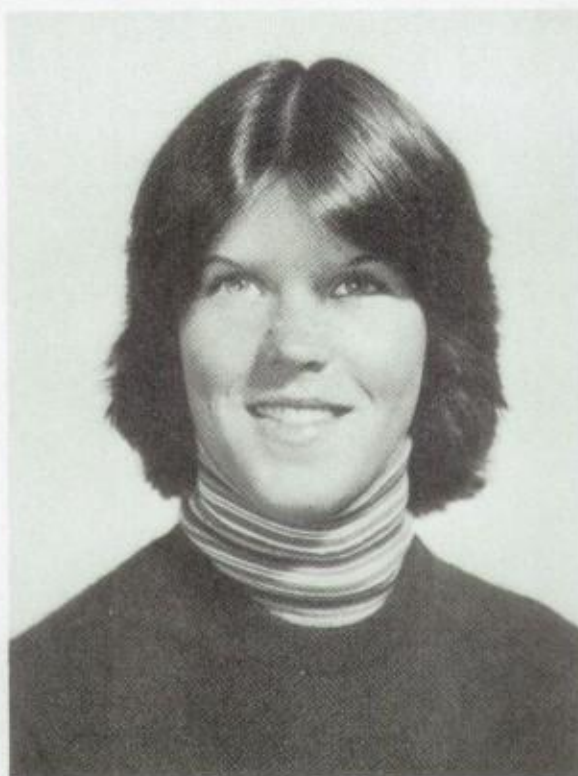

Goals already attained form a step ladder to brighter worlds,

Beyond the horizon.

Girls' Soccer was introduced to MHS as a club sport. Girls in grades 7 through 12 participated, learning not only soccer fundamentals but sportsmanship as well.

We hope to see Girls' Soccer develop into an interscholastic sport in the near future.

Milton displays characteristic good-sportsmanship.

Milton's outstanding Net-minder, Randy Sovay. Special recognition goes to back-up goalie Brian Lauzriere.

Coach Scott Stuart again led the team into the playoffs.

The team will lose four seniors, but it looks to be a strong club for many years to come.

A shot from the point.

 I just want to tell

Doug, I really can't
 think as much to write
 on paper. But, anyhow
 I want to say that you are a
 totally different person than last
 year. I feel because you are a level head, I wish
 you the best in whatever you may do.
 Love, Karen (c79)

glad I got to know
 you - found out you're
 a lot of fun and
 smart, too. I hope
 the future is bright
 for you. You have

 I'm sure you'll go

Doug

I've known you for a year but it seems like we've always been friends. We have never really ~~struggled~~ had a serious disagreement and I don't think we ever will always try to keep in touch no matter where the future leads and remember the super times we shared together. Remember French's camp and the Gala Bash and all the super times in UNKL PERUVS ROOM. George will always be on both our minds I'm sure but don't let them "Get you by the short hairs". Keep cool and let the future wait on you but never wait on the future live for today and the hell with tomorrow.

Doug,
Congratulations!! It's been a fun year for all of us, just because you slept through it all during English doesn't mean anything. Your a wonderful person to know and a real friend. Hope your future is successful and happy. You've got a great life ahead of you, so make the most of every moment. Hope to see you around after graduation, friendship doesn't end on that day! Good Luck "AFA"

Doug,
I am really glad
we have parted many
times together this year. You
have made alot of funerals since you moved
here and they are to keep. Hey remember
the day we went diving in the same place
as where these guys are. Stay out of trouble
and stay in high sticks. Good Luck
